DESBOROUGH**

42 Braybrooke Rd.,  
DESBOROUGH,  
Northants.

Dear Electors,

Having been nominated for this By-election, caused by the untimely and regrettable death of Mr. Fred Draper, I take this opportunity to send you my Compliments and to invite your kind support.

Comparatively young, I will apply myself with vigour to whatever duties fall to my lot and will try to carry out my responsibilities with dignity and zeal.

Opposite, you will find some thoughts which I feel merit your attention and consideration.

Should you consider me worthy of your trust—as I hope you will—I will endeavour to serve you honestly and to the best of my ability.

Yours faithfully,

ANTHONY THOMAS ALLEN

★ Having been reared in Desborough I recognise and understand many of your problems.

★ Still a comparatively young man, I appreciate the needs and aspirations of younger generation in this modern age.

★ I greatly respect our elderly citizens and share their apprehensions, and would strongly advocate that our local authority take a more positive interest in making our social services work more humanely and effectively.

★ Like most sensible ratepayers I am unhappy about the incidence of the present rating system. The important test is **value for money**. Our priorities must be right—**first things first**—and a middle course steered between parsimony and extravagance.

★ A councillor should be **responsible** and **accountable** to those whom he professes to serve. He must be readily **available** to be their friend and helper. And if elected, this I will gladly try to do.

May I thank you in anticipation of **your** support?

**Introducing . . . .**

**ANTHONY THOMAS  
ALLEN**
