

Labour has and always will stand for a better tomorrow for everybody in Northamptonshire and a decent today for the people who need support in our community.

Helping to:

- Make our roads and highways safer
- Encourage walking and cycling
- Give people the skills they need
- Supply the best possible care for elderly residents
- Protect and promote jobs
- Provide better value public transport
- Work towards a cleaner, greener Northamptonshire.

My name is Helen Wood and I have lived in Desborough for a number of years. I like to enjoy our beautiful corner of England, but like many of you am frustrated and concerned by the poor state of repair of local roads. As a wife, mother and daughter I have a huge personal investment in the success of our community. I am passionate to play my part in protecting and improving all areas of our lives that our County Council has responsibility for. We have an opportunity, not only to send a message, but to make real change, by voting Labour on May 4th, and voting Wood.

On Thursday 4th May, this election is your chance to deliver a verdict on an out of touch Tory Government and the Tory controlled Northamptonshire County Council.

Promoted by Brenda McCraith on behalf of Helen Wood both at The Labour Party, The Yards, 12b Market Street, Kettering, NN16 0AH.

We are on your side

The Tories have let down the people of Northamptonshire

Under the Tories, our NHS is underfunded and understaffed.

Labour will give the NHS and social care the funding it needs.

Under the Tories, pothole repairs are washed away in weeks.

Labour will introduce a fair and effective system for highways repairs.

Children's Centres

Under the Tories, Sure Start Children's centres have closed and their funding has been cut by millions of pounds.

Labour will broaden access to make the service available to all.

Labour is campaigning hard to make Northamptonshire a better place to live and work. At a time when many people are suffering greatly because of cuts implemented by the Tory Government and Tory County Council, Labour is working to make our area better.

Our pledges to you

- Labour will rebuild adult social care services.
- Labour will improve our pavements and roads.
- Labour will improve our failing children's services.
- Labour will help and support local businesses.
- Labour will put people at the heart of decision-making.

Labour is working hard for you in your area
