# NORTHAMPTONSHIRE COUNTY COUNCIL ELECTIONS MAY 1993

## A VOTE FOR DESBOROUGH

Residents of Desborough know Tony's record well. He has always been outspoken on issues which affect our town and has fought to ensure the community receives its fair share of available resources.

Tony has served on all the major committees of the County Council. As a Member of the Education Committee his determined efforts to promote the needs of Desborough children played a large part in securing the remodelling of Havelock Junior School.

Senior Citizens of Desborough are aware that he is a ready listener when they have problems. His efforts in supporting their needs can be seen in the Beech Close complex. Tony worked hard to promote this.

Unemployment is an increasing problem and Tony will do all in his power to promote the interests of Desborough in terms of industrial and economic development.

The people of Desborough have a voice which ought to be heard. A County Councillor's services should be available to the whole community, established residents and newcomers alike, and you may be confident that Tony, as an experienced, hard working Councillor will represent the Community's best interests.

At a time when Local Government and democracy are under attack, it is up to you to defend them both.

**YOU CAN DO THIS BY VOTING LABOUR
