Your Ward...

DESBOROUGH

Dear Elector

I have been selected by the Desborough Labour Party as a candidate to fight in the forthcoming County Council Election. May I offer you my kindest sentiments and respectfully seek your support; I hope you will give me your vote.

I am 53, married to Jean and we have 3 children. I have been a County Councillor for 21 years and served on all the major committees. At present I am Chair of Desborough Town Council having been a member since 1963 and a Governor at Montsaye school and chair of the Governing body at Havelock Infants school.

For the past 25 years I have always done my best to promote the cause of Desborough and its inhabitants. What concerns you concerns me. I take this opportunity to welcome newcomers to the town and assure you that you will receive the same attention as the more established residents. Previous successes I have achieved for Desborough include a new Fire Station, new Library, free bus passes, a purpose-built nursery and the recent Beech Close development.

I hope you can continue to give me your support to enable me to carry on doing the work I enjoy as a strong and forceful advocate on your behalf

Yours sincerely

Tony Allen
