

LABOUR:

The EFFECTIVE voice of Desborough

DEAR ELECTOR

We have been invited by the Desborough Labour Party to represent the people of Desborough on the Town Council and take this opportunity to send you our compliments and respectfully request that you vote for us on Thursday May 4th 1995.

The Town Council has an important role to play as the voice of the Town. Labour Councillors will continue to ensure that this voice is heard and that Desborough does not become a neglected part of the County or Borough.

Labour Councillors are deeply concerned by government cuts in education. Our children will, now and in future life, suffer greatly from shortages in teacher numbers and increased class sizes. Labour Councillors will continue to campaign for the restoration of vital school funds.

Labour Councillors campaign on local issues and welcome the recent town centre improvements, the opening of the Neighbourhood office in Station Road, the housing repairs programme and continued financial support for Marlow House and the Leisure Centre.

Labour Councillors will speak up for Desborough, attend all meetings wherever possible, continue to hold regular surgeries and be readily available to the public at all times.

Desborough Labour Party would like to thank the people of the town for their past support and hope that they will vote LABOUR again on Thursday May 4th.
